RE: 2022 Board of Directors and Officer Nominations

Each year, in the fall, we ask for nominations for members to join our board. We have (3) openings for the 2022 term for the Board of Directors.

Requirements are:

- 1) Must be a PIA of Baton Rouge chapter member
- 2) Able to attend chapter meetings which are normally the second Wednesday of each month.
- 3) Able to attend & help at chapter functions: crawfish, CE, Installation, etc.
- 4) Able to attend the annual Installation banquet in December.
- 5) **MOST IMPORTANT** – Must want to actively participate while helping this organization grow & improve.

This is a minimum 2 years commitment. Many of our 'old' board members enjoy it so much that they request to remain on the board for another 2 year term!

Please let us know if you would like to join our board or if you would like to nominate someone else. If nominating someone, please make sure they are willing to serve!
